Specialist in corporate and contract law, with experience across multiple industries and a strong focus on highly regulated sectors. His practice spans corporate governance, regulatory compliance, and the negotiation and drafting of civil, commercial, and labor contracts. He graduated from Instituto Tecnológico Autónomo de México (ITAM).

He has advised clients in the pharmaceutical, real estate, and entertainment industries, providing legal support for complex commercial projects and operational structures. His expertise includes the design and implementation of trust structures for real estate developments, guarantees, payment sources, and investments, as well as corporate governance and the legal management of commercial entities.

Additionally, he has managed regulatory procedures before government authorities, ensuring compliance at every stage of his clients' operations.
