Sharon Alcántara Muñoz is a lawyer specialized in antitrust law with a solid academic background and extensive experience in litigation and consulting. She holds a Law degree from *the Universidad Nacional Autónoma de México* (UNAM) and complemented her education with a research stay in economic competition at the Universidad Autónoma de Madrid, as well as a course on Cryptocurrencies and Data Brokers at UNAM.

Before joining Aziz & Kaye, she served as Deputy General Coordinator assigned to the Legal Affairs Directorate of the Federal Economic Competition Commission (COFECE).

Throughout her career, she has gained experience in handling trial-like proceedings before COFECE, as well as defending the authority's resolutions before Federal Courts.

She has also participated in the design of compliance strategies and provided consulting on both national and international mergers.
